Nineteen Sixty-eight marks the 14th birthday of Bitburg High School. Situated in the Eiffel Mountains of Western Germany, the school boasts a total enrollment of 909 students; 530 in the senior high and 379 in the junior high. Since 1955 the graduating class has grown from seven to 89. Students who attend BHS are from base housing at Bitburg, Trier and Spangdahlem. They also live in towns around the area: Prum, Kyllburg, Luxembourg Ville, and others. The faculty this year has a total of 39 teachers, three guidance counselors, and three principals. Bitburg is accredited by North Central Association and is financed by the Department of Defense.

Bitburg is growing in more than just size. School tradition and pride, individual character, and accomplishments are on the increase, too. In the following pages these accomplishments of individual spirit are portrayed through the activities of members of Bitburg High School.

Bitburg High School is situated in a scenic area of Germany. The livelihood of many of the local people is dependent upon a certain crop which grows in abundance in this area and along the nearby banks of the Mosel River. This year's crop is considered to be one of the best in years. Some experts predict this year will be known in time to come as a vintage year but only time will tell.

This year's class possesses the qualities needed to type it as a great class of graduating Seniors. This active, talented and serious group of people are scheduled to go forth into the world that is changing so rapidly that it is almost beyond comprehension. During the brief years that this group has spent in high school, man has learned as much as he had learned in the preceding thousand years. Man's knowledge will continue to increase at an increasing rate. When the time comes for members of this class to assume the responsibilities of adult citizenship, the manner in which they conduct the affairs of their family, home, community, state and nation will surely prove that this was a vintage year!

GERALD B. RUCKER
Supervising Principal

Years from now you will look back through this book. You will look at a thousand faces and you will not remember many of them. You won't even have known many of them. You will wander through the activities sections and the candid photo sections and the class pictures sections and probably you will be surprised at how strange these things look to you. This is the way of memorabilia. But through it all I do hope that your general memories of your time spent at Bitburg High School will be pleasant ones. When you show this book to your friends ten or twenty years from now, I hope a warm smile will filter through your troubles for it has been a good year, hasn't it.

The Barons began the season by stomping the team from SHAPE, Casteau, Belgium, with a score of 73-0. Mike Barnhill, Landon Wills, Harry Minard starred on offense.

The Mannheim Bisons beat the Barons by a narrow margin of 20-26. The larger and more experienced Mannheim defense held the Barons to only three TDs, but the spirit was certainly there!

In their first away game, the Barons were defeated by the Augsburg Apaches by a score of 14-8. It was very disheartening because the Barons went into the game rated over the Apaches. Mike Barnhill and Harry Minard starred on offense.

In the third game of the seasoe, the Berlin Bears met the Barons on Pioneer Field at Spangdahlem Air Base. We matched TD for TD and were leading 18 to 20 when, with only three minutes remaining the Bears scored. Al Lindsay starred on offense with a 96 yd kickoff return for the last Baron TD.

The Barons' next victory came when they met the Wuerzburg Wolves. The only score in the game came three minutes after the opening kickoff, on a safety made by Gary Wilson. It was the best defensive Game Bitburg played all season with Gary Wilson and Sonny Rasar (who made three interceptions in the game starring on defense.

Stronger than dirt!

Traveling to Baumholder, the Barons upset the Bucs by a score of 20-6, to hand them a defeat for their homecoming. Adverse weather conditions hindered the Baron drive but Harry Minard and Mike Barnhill starred on offense with Harry scoring 14 points and Mike six points.

November 4 was a dismal day when Mannheim beat the Barons again by a score of 40-8, for their homecoming victory. Carter and Jackson, the Bisons' crack offensive combo ran TD after TD. A pass from Mike Barnhill to Wendell Pryor accounted for Bitburg's points, with the conversion successful thus ending the season, with an overall record of two wins and four losses in official games.

The most popular of Bitburg's traditions included week-long activities. A huge pep rally was held which included a slave sale. # SENIORS

"68"

# SENIORS

CLASS OFFICERS
Becky Sears, treasurer; Rita Deering, secretary; Linda Provance, vice president; John Bradley, president

Our Senior year here at Bitburg has certainly been a memorable one. It all began before school started when someone had the brilliant foresight to decorate the outside walk for us...some senior, that is. And then, not too much later, one of our number and his able crew climbed to the top of the chimney in the prefab area and painted a huge 68, which can still be seen to this very day.

After the fun and excitement of class elections, we had to get down to the serious business of organizing the Homecoming Dance. With all our experience from the 1967 Prom, we were well equipped to put on a fantastic affair complete with leftover Prom decorations.

The highlight of the first semester was, without a doubt, THE LARK. We put a lot of hard work and tears into the production of our Senior Class play. After it was all over, most of us were rather sad to see it end, but we had gained a wealth of experience.

The second semester was perhaps the busiest for us, with plans for graduation and all the last minute preparations for the future. There were those among us who had not yet heard from their colleges and maybe we were all growing a little wary of the idea of leaving high school for good, and by the end of the year our class was becoming sentimental. We wanted to slow everything down and hang on to those last few weeks, but as always time passes on...

We will never forget our days at Bitburg and we will always remember the friends we made and the good times we had during our Senior year.

# JUNIOR CLASS--CLASS OF '69

CLASS OFFICERS
Left to right: Todd Castleton, Treasurer; Donald Williams, President; Tamera Johnson, Vice-President; Ellen Locke, Secretary.

CLASS FAVORITES
Donald Williams and Tamera Johnson

In striving to reach the end of the long and often bumpy road to graduation, we believe the class of '69 has proven itself a worthy match in any competition.

The making of the class into what it has been and will continue to be has been a task requiring the efforts of all the members of the class. The goals we have set for outselves, the values we have encouraged in ourselves, will come more into focus next year as we assume added responsibilities as Seniors.

Many of our worthwhile projects which have been traditional of the Junior Class were the coffee sales, Sadie Hawkins, and the sponsoring of the Junior-Senior Prom. As a class of action we also sponsored a Spaghetti Feast, a Psychedelic Dance, and the performance of a well-known play.

We, as Juniors, feel that our Junior year has proven to be a full and prosperous one.

May the year which follows be as promising.

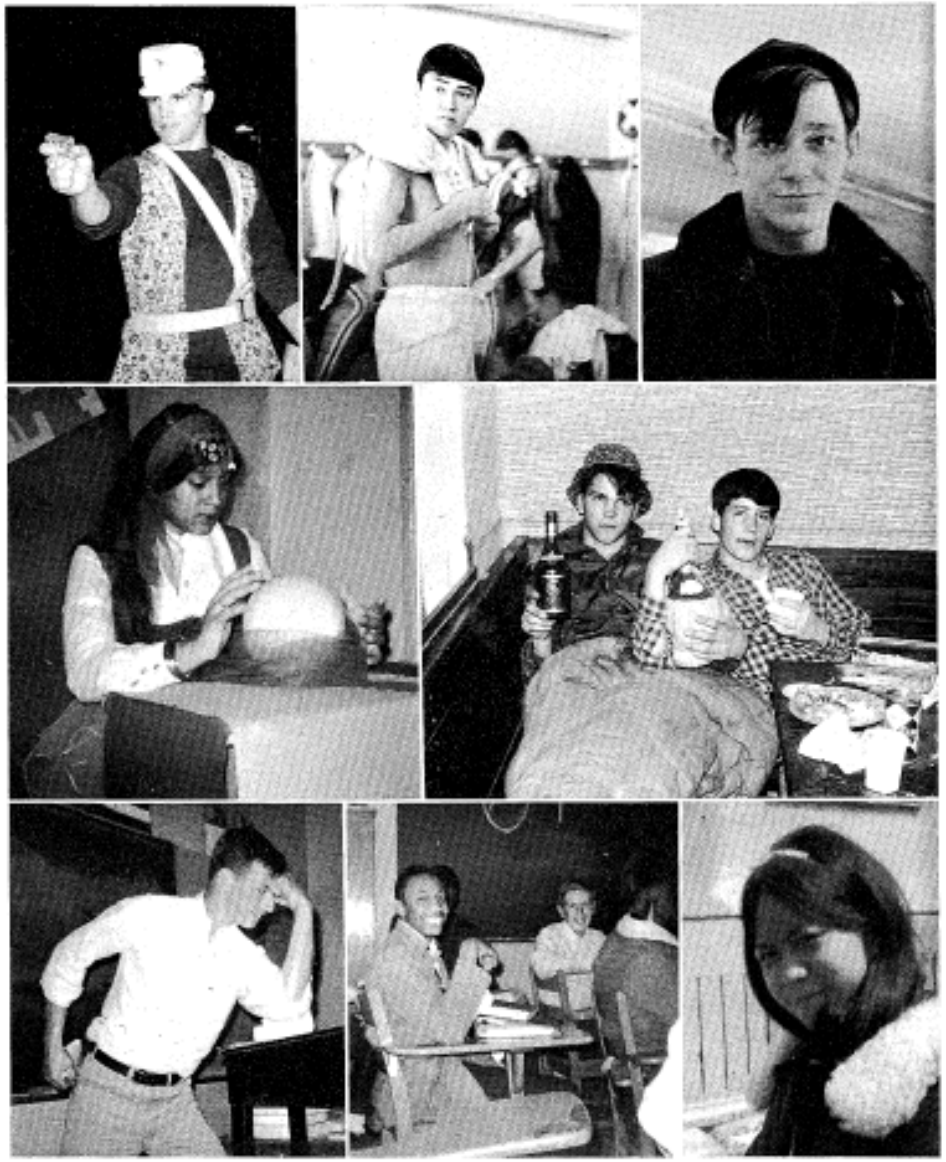
# JUNIORS OFF-GUARD



# SOPHOMORES

Having already had a nine-month taste of high school life, the class of '70 started their third semester a little wiser and more subdued than their first. Finally realizing that all the wicked tales about high school are not to be believed, that no one will ever understand a teacher, nor seniors ever obeyed, they managed to stumble along with the rest of humanity through the halls for another year.

CLASS OFFICERS
Cheryl Ann Colbeschlag, president; Paul Gothard, secretary; David Berry, treasurer. Not pictured Mike Barnhill, vice president.

CLASS FAVORITES
Buddy Wood and Rhonda Rasar

Praying that sophomores have as much school and class spirit as anybody else, they sponsored the B-Week Dance, contributed many fine players to the sports section, and took active participation in many other school events. Although they had the only female class president at Bitburg this year, the class of '70 proved itself to be among the best at BHS.

Naomi,
It's been a fairly nice year, hasn't it? We all had the good 'n' bad, but lucky enough, most are good. It'll be nice to have it continue this way in our Junior year, too.

# FRESHMEN

During the school year 1967-68 almost 200 freshmen passed through Bitburg's corridors. Just out of junior high, they showed remarkable class spirit. This year's frosh officers showed the class good leadership. Among the many class projects, the homecoming float was perhaps the best. The class also sold school pens and pencils and won the Baron Balloon contest. Next year, as sophomores, the class of '71 will be even greater with those "silly new freshmen" to pick on.

# JUNIOR HIGH

Entering junior high is a big step in everyone's lives. One is more independent, is given new responsibilities, and generally, prepares himself for high school.

Our Bitburg Jr. High helps the young student develop his leadership and talents by offering him the opportunity of joining a wide variety of clubs. The Jr. High also has its own Student Council which allows the students a voice in the school affairs. Their newspaper informs the student body of upcoming and past events: bake sales, dances, special campaigns; events which will raise money to improve the school and community and for special functions.

Sports are not forgotten. School spirit is kept high with such activities as basketball games against rival junior highs. This year's basketball team was under the supervision of Coach Lee.

Under the leadership of Tom Bradley, President, Randy Johnson, Vice-President, Monica Bacon, Secretary, and Krysti Robinson, Treasurer, the Jr. High student is proving himself to be a capable future senior high scholar.
